

# Contura Announces Departure of Chief Executive Officer

23.04.2019 | [PR Newswire](#)

BRISTOL, April 22, 2019 - [Contura Energy Inc.](#) (NYSE: CTRA), a leading U.S. coal supplier, today announced that its chief executive officer, Kevin Crutchfield, will be leaving his role as chief executive officer, effective May 6, in order to pursue an opportunity outside of the coal industry, which is expected to be announced shortly. Mr. Crutchfield's departure is not the result of any dispute or disagreement with the company or any matter related to the company's operations, policies, management, or board of directors.

The board has launched a search process to identify a replacement for Mr. Crutchfield.

"On behalf of our board, I want to thank Kevin for his steadfast leadership and numerous contributions made toward the company's success during his many years with Contura and its predecessor companies," said board chairman, Neale Trangucci. "Kevin's departure is not expected to change the company's business strategy, including the plan to return capital to shareholders. While Kevin will be missed, we have every confidence in the management team to execute on the solid operating foundation already in place as we work to identify the best individual to lead our company forward for years to come."
