VANCOUVER, May 8, 2019 - [Graphite Energy Corp.](#) (CSE: GRE) (OTC: GRXXF) (FWB: G0A) (the "Company"), is pleased to announce that it has entered into a letter of intent dated May 6, 2019 (the "LOI") with World Farms Corp. ("WFC") regarding a proposed transaction to acquire all of the issued and outstanding securities of WFC (the "Transaction"). The Company will have until June 6, 2019 (or such other date as agreed to by the parties) to conduct due diligence on WFC, with a view to negotiating the terms of a definitive agreement (the "Definitive Agreement") in order to complete the Transaction.

About World Farms Corp.

WFC Farms is a private company that is building a portfolio of low cost, scalable international cannabis assets in countries where the sale of either CBD or cannabis is legal. WFC's current portfolio includes joint ventures in Italy, Croatia, South Africa and Jamaica. Planting of 172 acres of High CBD Hemp is under way in Italy and Croatia for harvesting and processing to produce high quality CBD isolate for sale in to the European market. The company has also retrofitted an 87,000 square foot greenhouse with light dep curtains and LED lights for micro propagation of plant starters for the region.

The Transaction

Subject to the execution of a Definitive Agreement, the Company proposes to acquire all of the issued and outstanding common shares of WFC in exchange for common shares of the Company (the "Payment Shares"). The Payment Shares would be issued to the shareholders of WFC on a pro-rata basis based on a 1:1 ratio. In addition, all of the outstanding common share purchase warrants of WFC will, subject to the rules of the Canadian Securities Exchange (the "CSE"), be exchanged for common share purchase warrants of the Company based on a 1:1 ratio and on the same economic terms and conditions as previously issued.

On or before the closing of the Transaction, it is proposed that WFC will complete an equity financing of common shares or units (common shares and common share purchase warrants) (the "Concurrent Financing") by way of a non-brokered private placement relying on the prospectus exemptions pursuant to National Instrument 45-106 or other applicable laws, rules and regulations to raise up to CAD\$3,000,000 at an intended price of \$0.30 per security.

The Transaction is conditional upon, among other things:

- i. the parties will have received all necessary regulatory and third-party consents, approvals and authorizations as may be required in respect of the Transaction, including, but without limitation, acceptance of the CSE;
- ii. completion of due diligence to the satisfaction of the parties;
- iii. approval of the board of directors of each of GRE and WFC to final terms and conditions of the Transaction as set forth in the Definitive Agreement and all other necessary matters related thereto prior to the signing of the Definitive Agreement;
- iv. the signing of the Definitive Agreement;
- v. completion of all matters, and the satisfaction of all conditions (unless waived in writing), under the Definitive Agreement required to be completed or satisfied on or before closing of the Transaction including

but not limited to completion of the Concurrent Financing; and

vi. the shareholders of each of GRE and WFC will have approved the Transaction and any and all matters in connection therewith pursuant to applicable laws and the rules and policies of the CSE.

In connection with the Transaction, it is intended that the Company will be re-named as the parties may reasonably agree upon and as is acceptable to the CSE and the registrar (the "Resulting Entity"). Upon completion of the Transaction the Resulting Entity will carry on the business currently conducted by WFC and will cease to carry on the business currently being conducted by GRE. It is also intended that concurrent with the closing of the Transaction, the board of directors of GRE will be reconstituted.

Additional Information

Further details regarding the proposed Transaction and the Resulting Entity will be provided in a comprehensive press release if and when the parties enter into a Definitive Agreement. If completed, the Transaction will constitute a "Fundamental Change" pursuant to CSE policies.

The Definitive Agreement will incorporate the principal terms of the Transaction described herein, and in addition, such other terms and provisions of a more detailed structure and nature as the parties may agree upon after receiving further tax, legal and financial advice from their respective advisers. However, there is no assurance that the Definitive Agreement will be successfully negotiated or entered into.
