The Company is also pleased to announce the appointment of Ms. Janice Stairs, LLB, MBA as Chair of the Board of Directors. Ms. Stairs has been a director of [Trilogy Metals Inc.](#) since 2011. She graduated from Dalhousie Law School and holds a Master of Business Administration degree from Queen's University.

"Janice is well suited to Chair the Trilogy Board. With her strong legal background, her many years working in the mining sector and the fact that she has been an active director of [Trilogy Metals Inc.](#) since its inception eight years ago, she knows the history of the Company and understands and appreciates the relationships that Trilogy has built in Alaska towards advancing our assets in the Ambler Mining District.", said Rick Van Nieuwenhuysse, President and Chief Executive Officer of the Company. "We are also delighted to welcome James (Jim) Gowans as a director. Jim and I worked together at Placer Dome and he has always had an appreciation for the challenges of developing a mine in Alaska. Jim's previous experience with Cominco Limited, where he oversaw the completion of a feasibility study and the subsequent design and construction of the Red Dog Mine will be valuable to [Trilogy Metals Inc.](#) as we start the next phase of developing the Arctic mine. Jim also operated the Red Dog Mine for three years following its commissioning. The relationships that he built with the Inupiaq people of Northwestern Alaska will be invaluable as we advance the Ambler Mining District to production".

"We welcome Jim as an independent director to [Trilogy Metals Inc.](#)", said Janice Stairs, Chair of the Board of Directors of [Trilogy Metals Inc.](#). "Not only does Jim bring his tremendous insight and experience in Alaska, but he also developed a well-established and respectful working dynamic with our partner, South32 Limited while he was President and CEO of [Arizona Mining Inc.](#)"

Detailed results of all items of business are available in the Report of Voting Results filed under the Company's SEDAR profile at www.sedar.com ("SEDAR") and on the Form 8-K filed under the Company's EDGAR profile at www.sec.org ("EDGAR").

About Trilogy Metals

[Trilogy Metals Inc.](#) is a metals exploration company focused on exploring and developing the Ambler mining district located in northwestern Alaska. It is one of the richest and most-prospective known copper-dominant districts located in one of the safest geopolitical jurisdictions in the world. It hosts world-class polymetallic volcanogenic massive sulphide ("VMS") deposits that contain copper, zinc, lead, gold and silver, and carbonate replacement deposits which have been found to host high grade copper mineralization. Exploration efforts have been focused on two deposits in the Ambler mining district - the Arctic VMS deposit and the Bornite carbonate replacement deposit. Both deposits are located within the Company's land package that spans approximately 143,000 hectares. The Company has an agreement with NANA Regional Corporation, Inc., a Regional Alaska Native Corporation that provides a framework for the exploration and potential development of the Ambler mining district in cooperation with local communities. Our vision is to develop the Ambler mining district into a premier North American copper producer.
