- TD Securities 2019 Battery Metals Roundtable
Anthony Milewski, Chairman and Chief Executive Officer, and Justin Cochrane, President and Chief Operating Officer, will participate in TD Securities Battery Metals Roundtable, including one-on-one meetings with interested institutional investors, on Tuesday, June 18 and Wednesday, June 19, 2019, at TD's Offices in London, UK.
- Mining Journal Select London
Anthony Milewski, Chairman and Chief Executive Officer, will participate in the panel discussion Which battery metal has the strongest outlook?, on Monday June 24, 2019, at 2:10 pm BST, at Mining Journal Select London, to be held in London, UK

About Cobalt 27 Capital Corp.

[Cobalt 27 Capital Corp.](#) is a leading battery metals streaming company offering exposure to metals integral to key technologies of the electric vehicle and energy storage markets. The Company owns physical cobalt and a 32.6% Cobalt Stream on Vale's world-class Voisey's Bay mine, beginning in 2021. Cobalt 27 holds an 8.56% joint venture interest in the long-life, world-class Ramu Mine which is expected to deliver immediate attributable nickel and cobalt production. The Company also manages a portfolio of 11 royalties and intends to continue to invest in a cobalt and nickel focused portfolio of streams, royalties and direct interests in mineral properties containing battery metals.
