

Mexican Gold Corp. Announces Resignation of President

17.06.2019 | [GlobeNewswire](#)

THUNDER BAY, June 17, 2019 - [Mexican Gold Corp.](#) (TSX-V: MEX; OTCQB: MEXGF; FRA: 4QW1) ("[Mexican Gold Corp.](#)" or the "Company") announces that Brian Robertson has resigned as President and Director of the Company.

The Company thanks Brian for his services to [Mexican Gold Corp.](#) over the past ten years and wishes him well in his future endeavors.

Brian Robertson stated, "I would like to thank all of the great people in Canada and Mexico I worked with for their support and loyalty as we advanced the Las Minas project. The project has evolved from the discovery stage to its current NI 43-101 resource in excess of 1.0 million gold equivalent ounces and continues to grow." John Anderson, Chairman stated, "Brian has done a great job taking this project from a conceptual exploration project to a resource that is continuing to develop, we cannot thank him enough for his years of service and making Las Minas the exciting project that it is."

About Mexican Gold Corp.

[Mexican Gold Corp.](#) is a Canadian based mineral exploration company committed to building long-term value through ongoing discoveries and strategic acquisitions of prospective precious metals and copper deposits in North America. [Mexican Gold Corp.](#) is exploring the Las Minas Project, which is located in the core of the Las Minas mining district in Veracruz State, Mexico, and is host to one of the newest, under-explored skarn systems known in Mexico.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION: This news release includes certain information that may constitute "forward-looking information" under applicable Canadian securities legislation. "Forward-looking information" can often, but not always, be identified by the use of words such as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". These statements are based on information currently available to the Company, and the Company provides no assurance that actual results will meet management's expectations. Forward-looking information includes, but is not limited to, statements about the closing of the Private Placement, the future exploration results relating to the Las Minas project, and exploration plans for the Las Minas project and the exploration potential of the Las Minas project. Forward-looking information is necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking information, including the risks identified in the Company's disclosure documents. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. All forward-looking information contained in this press release is given as of the date hereof and is based upon the opinions and estimates of management and information available to management as at the date hereof. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of

the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
