

# Trevali Releases its Inaugural Sustainability Report

24.06.2019 | [GlobeNewswire](#)

VANCOUVER, June 24, 2019 - [Trevali Mining Corp.](#) (‘Trevali’ or the ‘Company’) (TSX: TV, BVL: TV) announced today that it has issued its inaugural Sustainability Report, which is available at [www.trevali.com](#).

‘This report is our first step towards becoming more transparent in how we manage the elements of sustainability,’ said Ricus Grimbeek, President and CEO. ‘We will keep improving the quality of our data and management practices and build on the good progress we have made so far. The future of mining requires meeting higher sustainability standards and is an essential part of Trevali’s objective to become an industry leader in sustainability and one of the best underground mining companies in the world.’

‘The past two years have been a time of transformation and growth for Trevali. Nearly two years ago, we were a smaller company with one owned and operated asset, the Caribou Mine, and a second asset, the Santander Mine, that was largely run by contractors under our guidance. Today, we have four mines in four jurisdictions across the globe, and each one is run by Trevali, to Trevali standards,’ stated Jessica McDonald, Chair of the Board and Chair of the Health, Safety, Environment and Community Committee. ‘In building this sustainability foundation and publishing this report, Trevali has taken an important step towards becoming a leader in sustainable development. We have made a public commitment to running our business in a safe and sustainable manner.’

## About Trevali Mining Corporation

## Cautionary statement on forward-looking information

This news release contains ‘forward-looking information’ within the meaning of Canadian securities legislation and ‘forward-looking statements’ within the meaning of the United States Private Securities Litigation Reform Act of 1995. Statements containing forward-looking information express, as at the date of this news release, the Company’s plans, estimates, forecasts, projections,

expectations, or beliefs as to future events or results. These statements are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. If any assumptions are untrue, it could cause actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by such statements.

Forward-looking statements relate to future events or future performance and reflect our expectations or beliefs regarding future events, and are subject to known and unknown risks, uncertainties and other important factors that may cause the Company's actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking statements, including but not limited to those risks described in the Company's annual information form for the year ended December 31, 2018, which is available on the Company's website ([www.trevali.com](http://www.trevali.com)) and filed under our profile on SEDAR ([www.sedar.com](http://www.sedar.com)). Investors are cautioned against attributing undue certainty or reliance on forward-looking statements. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, described or intended. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements or information, other than as required by applicable law.
