

VVC Announces Private Placement Financing

30.07.2019 | [GlobeNewswire](#)

TORONTO, July 30, 2019 - [VVC Exploration Corp.](#) (“VVC” or the “Company”) (TSX-V:VVC) announces the Company is raising up to CA\$2.5 million (approx. US\$2.0) in a non-brokered private placement of units of the Company (“Units”) at a price of \$0.05 per Unit. Each Unit consists of one common share and one-half of one common share purchase warrant (a “Warrant”) of the Company. Each full Warrant entitles the holder to purchase one additional common share of the Company for a period of three years, at an exercise price of CA\$0.06 per share. The proceeds of the offering will be used to pay for exploration and development on the Samalayuca property, land use permits and associated costs, metallurgical bench testing of the copper mineralization, and proposed pilot mining investigation and evaluation process. In addition, the money will be used for option payments in Mexico, current accounts payable, general administrative expenses, and working capital.

The Company is not anticipating paying a commission at this time, however should a commission be paid, it will not exceed the allowable limits imposed by the TSXV. The financing is expected to close within 30 days.

The offering is subject to all necessary regulatory requirements including the approval of the TSX Venture Exchange. All securities issued pursuant to the offering will be subject to the applicable statutory, exchange and regulatory hold period of four months and any other required resale restrictions.
