The redemption price for the Notes called for redemption will be equal to 100.833% of the principal amount, plus accrued unpaid interest, if any, to, but excluding, the redemption date in accordance with the terms of the Notes and the indenture under which the Notes were issued. The Notes to be redeemed will be selected in accordance with the procedures of The Depository Trust Company. Interest on the portion of the Notes selected for redemption will cease to accrue on and after the redemption date.

Additional information concerning the terms and conditions of the redemption is contained in the notice distributed to holders of the Notes. Beneficial holders with any questions about the redemption should contact their respective brokerage firm or financial institution.

Cautionary Statement for the Purpose of the "Safe Harbor" Provisions of the Private Securities Litigation Reform Act of 1995

This press release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements included in this press release other than statements of historical fact, including, but not limited to, forecasts or expectations regarding the Company's business and statements of information concerning the Company's future operations, performance and financial condition, are forward-looking statements. When used in this press release, the word "will" is intended to identify forward-looking statements, although not all forward-looking statements contain this identifying word.

Forward-looking statements are based on the Company's current expectations and assumptions about future events and the available information as to the outcome and timing of future events. Although the Company believes these assumptions and expectations are reasonable, they are inherently subject to numerous business, economic, competitive, regulatory and other risks and uncertainties, most of which are difficult to predict and many of which are beyond the Company's control. No assurance is given that such expectations will be correct or achieved or that the assumptions are accurate. The risks and uncertainties are, but are not limited to, the ability to complete the redemption and the other risks described under Part I, Item 1A. Risk Factors elsewhere in the Company's Annual Report on Form 10-K for the year ended December 31, 2018, registration statements and other reports filed from time to time with the SEC, and other announcements the Company makes from time to time.

Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which this statement is made. Should one or more of the risks or uncertainties described in this press release occur, or should one or more of the assumptions prove incorrect, the Company's actual results and plans could differ materially from those expressed in any forward-looking statements. All forward-looking statements are expressly qualified in their entirety by this cautionary statement. Except as otherwise required by applicable law, the Company undertakes no obligation to publicly correct or update any forward-looking statement whether as a result of new information, future events or circumstances after the date of this statement, or otherwise.
