Cautivo Announces Non-Brokered Private Placement and Potential Going-Private Transaction

15.08.2019 | CNW

Corporate Update Provided

/THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN UNITED STATES/

TORONTO, Aug. 14, 2019 - <u>Cautivo Mining Inc.</u> (CSE:CAI) ("Cautivo" or the "Corporation") intends to complete a U.S. non-brokered private placement of common shares (the "Offering"), subject to regulatory approval. The Offering will be subscribed by Arias Resource Capital Fund II L.P. and Arias Resource Capital Fund II (Mexico) L.P. (together, "ARC F proceeds of the Offering will be used to finance the expenses of the Corporation, including an on-going drilling program Corporation's Las Lomas Project, for a period of 3 – 4 months. The Corporation requires additional capital and is expected to close prior to the end of August, subject to regulatory approval.

ARC Fund II has advised the board of directors of the Corporation that ARC Fund II intends to propose a going-private in order to eliminate the Corporation's financial and management burden of operating as a reporting issuer. The Corpor requires significant and sustainable financing in order to continue to explore and develop its properties, which are still in early-stage of exploration and thus lack any reserve or resource estimation yet. Based on current market conditions are difficulties of sourcing additional financing on acceptable terms and conditions, ARC Fund II does not believe the Corporation to the fairness of the transaction from a financial point of view to shareholders other than ARC Fund II. The independent expect to obtain a formal valuation to assist them with their review. Any such transaction will be subject to shareholders a special meeting of shareholders.

Recent Developments

Cautivo's subsidiary Consorcio Minero Ate ("CMA") has signed an exploration option agreement with shareholders of a company, Minerales de Ayabaca ("MdA"). MdA has exploration rights pursuant to the exploration agreement in three n concessions, owns an ore processing mill with a 40 tonnes per day ("tpd") capacity (the "Minera Las Lomas Mill" or "MlL"), and owns an area for a future ore processing mill in the Las Lomas area (the "Jahua de Pavas Mill" or "JdP Mil intended capacity of 300 tpd.

MdA has plans to operate both mills. MLL is a gold leaching processing plant in the west side of Las Lomas area. MLL of 9 hectares and plans to provide ore processing services to the local miners and act as a community service mill. Md. build the JdP mill to process ore coming from MdA and CMA mining concessions. CMA can acquire 100% of MdA's sh exercising the option agreement depending on exploration and operating success in its sole discretion.

CMA and MdA have also signed a loan agreement pursuant to which CMA has agreed to lend MdA up to U.S \$1,500,0 exploration and ore processing mill start up purposes. Of this amount, around U.S. \$970,000 has been drawn to date (\$550,000 to purchase the MLL Mill, U.S. \$160,000 to purchase land to build the JdP Mill and U.S. \$260,000 for explora permitting and plant equipment upgrade.)

Related Party Transaction Disclosures under MI 61-101

Neither the Corporation nor, to the knowledge of the Corporation after reasonable inquiry, the ARC Funds II have know any material information concerning the Corporation or its securities that has not been generally disclosed.

15.11.2025 Seite 1/3

The sale of shares to ARC Fund II constitutes a "related party transaction" as defined under Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Corporation is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101, as neither the fair market value of the shares to be distributed in the Offering nor the consideration to be received for those shares exceeds C \$2.5 million and both of the Corporation's independent directors approved the Offering.

The Offering is expected to close at a price of C \$0.10, which represents an approximate 10% discount to the closing p August 12, 2019. ARC Fund II will receive approximately 20 million shares of common stock in exchange for its U.S. \$1.9 million) investment.

If the Offering is completed, ARC Fund II ownership will increase from around 81% to approximately 92% of the issued outstanding common shares of the Corporation.

This press release is being issued less than 21 days before the expected date of the closing of the Offering as the addi working capital is required prior to the end August and in light of ARC Fund II's intention to make a going-private offer, reasonable in the circumstances.

The shares issued in the Offering are subject to a hold period.
