

Sanchez Energy Corp. Receives Court Approval of “First Day” Motions to Support Business Operations

20.08.2019 | [GlobeNewswire](#)

[Sanchez Energy Corp.](#) (“Sanchez Energy” or the “Company”) (OTC Pink: SNECQ) today announced that the Company and certain of its subsidiaries have received interim approvals from the U.S. Bankruptcy Court for the Southern District of Texas (the “Court”) for the “First Day” motions related to the voluntary Chapter 11 petitions filed on Aug. 11, 2019.

“We are pleased to have received approval of our First Day motions, which will enable Sanchez Energy to continue normal operations while we maintain productive relationships with our business partners and midstream counterparties,” said Tony Sanchez, III, president and chief executive officer of Sanchez Energy. “Our focus is on operating our business safely and efficiently without interruption while using the restructuring process to work diligently with our creditors on a plan to right-size our balance sheet, further invest in our high-quality asset base and generate long-term value for our stakeholders. We appreciate the prompt action by the Court in approving our First Day motions and would like to thank our employees and partners for their continued support.”

Among other approvals, the Court granted Sanchez Energy interim approval to access up to \$50 million of the \$175 million in committed new financing from certain of its senior lenders, which, along with cash on hand and cash flow generated by ongoing operations, will support the business and fund continued capital investment throughout the restructuring process. The remaining amount of the financing will be available to the Company subject to final approval by the Court.

In addition, the Court has authorized the Company to continue to operate in the normal course of business without interruption to its relationships with its vendors, royalty interest owners and working interest and joint billing partners, among others, by, among other things, authorizing the Company to pay most pre-petition obligations, including those owing to those parties. Following the filing date, Sanchez Energy anticipates conducting operations and satisfying its obligations in the normal course of business.

Court filings and information about the claims process are available on the internet at <https://cases.primeclerk.com/sanchezenergy>, by calling the Company’s information hotline at (844) 232-0067 or by sending an email to sanchezinfo@primeclerk.com. Additional information regarding the Chapter 11 filing is included in a Current Report on Form 8-K which was filed with the U.S. Securities and Exchange Commission (“SEC”) on Monday, Aug. 12, 2019.

In connection with the restructuring, Sanchez Energy is represented by Moelis & Co. as financial advisor, Akin Gump Strauss Hauer & Feld LLP and Jackson Walker LLP as legal counsel and Alvarez & Marsal as restructuring advisor.
