

Manganese X Energy Announces Appointment of Anthony Viele to Board of Directors and Granting of Options

13.09.2019 | [Newsfile](#)

Montreal, September 13, 2019 - [Manganese X Energy Corp.](#) (TSXV: MN) (FSE: 9SC2) (OTC Pink: SNCGF) (the "Company") is pleased to announce that, effective immediately, it has appointed Anthony Viele to its Board of Directors.

On another note, Mr. Steve Roebuck, a long-time director since December 2010 has tendered his resignation from the Board of Directors effective immediately. Given his new professional responsibilities and this inflection point in the Company's life, the Board would like to thank Mr. Roebuck for his service and contributions and wish him well in his future endeavors.

"Mr. Viele was previously on the board of directors and then moved on to our advisory board owing to business commitments. He has now fulfilled those business obligations to return back to the board. "We are very fortunate to have him back again as a director with his wealth of business experience and knowledge assisting us in our upcoming business ventures," stated Martin Kepman, CEO. Mr. Viele is presently the President and Director of Premier Strategic Alliance Inc., from its founding in 1996. Premier Strategic Alliance Inc. is a privately held company doing business in the Military & Industrial sectors and provides consulting and strategic advice to various companies in the metal and composite industries targeting specialty items for military, industrial and commercial use. Mr. Viele was also a director at Friday Capital and a Director of Hedman Resources Limited from April to August, 2007.

In addition, the Company is pleased to announce that the Company has granted 1,950,000 incentive stock options to various Directors, Officers and Consultants. The options are exercisable at \$0.12 per option for a period of 5 years from the date of grant and have no vesting conditions. The options are being issued under the terms of the Company's Stock Option Plans which were approved by shareholders at the Company's Annual General and Special Meeting on April 21, 2016.

About Manganese X Energy

Manganese's mission is to acquire and advance high potential manganese mining prospects located in North America with the intent of supplying value added materials to the lithium ion battery and other alternative energy industries. In addition our company is striving to achieve new methodologies emanating from environmentally geographically ethical and friendly green/zero emissions, while processing manganese at a lower competitive cost.
