We are thankful to have had her commitment through the initial transition and settling time of the two new entities. On behalf of the entire NGEx Minerals team and Board of Directors we wish her all the best as she focuses energies on her new role as Corporate Controller at Josemaria Resources."

Mr. Yip also previously served as the Corporate Controller, and then CFO, of Orca Gold Inc., an Africa-focused gold exploration company listed on the TSX Venture Exchange. In addition to serving as the CFO of the Company, Mr. Yip will also concurrently serve as the CFO of [Filo Mining Corp.](#), another Lundin Group company.

In addition to the above, the Company is also pleased to announce that Ms. Brenda Nowak, has been appointed Corporate Secretary to the Company, with an effective date of September 16, 2019. Ms. Nowak has over 25 years of experience in the legal aspect of the securities' industry, over ten of those years specifically with public companies in the mining industry. Ms. Nowak currently also serves as Corporate Secretary for North Arrow Minerals Inc. and [Strongbow Exploration Inc.](#) and will also concurrently serve as the Corporate Secretary of Filo Mining Corp., another Lundin Group company.

Ms. Nowak will be replacing Ms. Julie Kemp, who has held the position of Corporate Secretary of NGEx Minerals since its spinout from Josemaria Resources, and who has resigned her position to assume a full-time position, in the same role, with Josemaria Resources, a Lundin Group copper-gold focused development company.
