

Orefinders Confirms Resignation of Mistango River Resources Independent Director

24.09.2019 | [CNW](#)

TORONTO, Sept. 24, 2019 - [Orefinders Resources Inc.](#) ("Orefinders" or the "Company") (TSX.V: ORX) confirms the resignation of independent director Ilian Iliev from Mistango River Resources ("Mistango") (MIS:CSE) Board of Directors.

Orefinders also reports that it has received written confirmation directly from Michael Demers, Mistango's last remaining independent director, that he intends to resign from Mistango's Board of Directors.

Additionally, as per Mistango's September 19 news release, Orefinders confirms that it has filed a Notice of Application with the Ontario Superior Court of Justice against Mistango, Robert J. Kasner, Ilian Iliev, Michael Demers, Donald Kasner and TSX Trust Company.

The legal Notice of Application undertaken by Orefinders contains multiple claims, including but not limited, to the results of Mistango's September 10 shareholder vote being made public and enforced.

Notwithstanding any legal intervention, and in relation to Mistango's attempt at a 'redo' vote, Orefinders reminds all Mistango shareholders that if they did not vote for the September 10th vote or if they would like to change their vote, they can do so prior to September 26th.

Any new proxy vote supersedes any old proxy vote. We encourage Mistango shareholders to visit [SaveMistango.com](#) for simple and straightforward online voting instructions. All shareholders require is their 'Control Number' which can be obtained from either the original physical mailing sent to shareholders or by directly contacting their brokerage firm.

Orefinders position is that the results of September 10, 2019 Mistango shareholder vote must be made public and its results enforced in order to 'Save Mistango' and preserve the integrity of Canada's capital markets. Shareholder vote suppression is a matter of Public Interest.
