Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the federal securities laws — that is, statements about the future, not about past events. Such statements often contain words such as "expect," "may," "believe," "plan," "estimate," "intend," "anticipate," "should," "could," "will," "see," "likely," and other similar words. Forward-looking statements address matters that are, to varying degrees, uncertain, such as statements regarding the terms and timing for completion of the Offer, including the acceptance for purchase of any Notes validly tendered and the expected Settlement Date thereof. Schlumberger and SHC cannot give any assurance that such statements will prove correct. These statements are subject to, among other things, the risks and uncertainties detailed in Schlumberger's most recent Forms 10-K, 10-Q,

and 8-K filed with or furnished to the Securities and Exchange Commission. Actual outcomes may vary materially from those reflected in Schlumberger's forward-looking statements. The forward-looking statements speak only as of the date made, and Schlumberger disclaims any intention or obligation to update publicly or revise such statements, whether as a result of new information, future events or otherwise.
