The Offering shall consist of a combination of (a) charity flow-through common shares of the Company (the "Charity FT Shares") at a price of \$0.40 per Charity FT Share and (b) common shares of the Company (the "Hard Shares") at a price of \$0.22 per Hard Share.

Pursuant to the transaction with [Newmont Goldcorp Corp.](#) (the "Newmont Goldcorp") announced on April 26, 2018, Newmont Goldcorp maintains their right to participate in any future equity financings undertaken by QPM in order to maintain its ownership interest or to acquire additional QPM shares in order to increase their ownership up to 19.9% (on a non-diluted basis).

The net proceeds from the sale of the Hard Shares will be used for general corporate and working capital purposes. The gross proceeds received by the Company from the sale of the FT Shares will be used to incur Canadian Exploration Expenses (the "CEE") that are "flow-through mining expenditures" (as such terms are defined in the Income Tax Act (Canada)) on the Sakami gold project and other James Bay gold projects in the Province of Québec, which will be renounced to the subscribers with an effective date no later than December 31, 2019, in the aggregate amount of not less than the total amount of the gross proceeds raised from the issue of FT Shares.

The Offering is scheduled to close on or about November 15, 2019 and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including that of the TSX Venture Exchange.
