

# Centerra Gold Commences Crushing and Stacking Ore at the Öksüt Project

14.11.2019 | [GlobeNewswire](#)

TORONTO, Nov. 14, 2019 - [Centerra Gold Inc.](#) ("Centerra") (TSX: CG) announced today that the Öksüt Project, in Turkey has commenced crushing stockpiled ore and stacking of crushed ore on the heap leach pad following receipt of normal course approvals from the Turkish Ministry of Environment and Urbanization. The Öksüt Project remains on schedule with first gold pour expected in early January 2020.

Scott Perry, President and CEO of Centerra Gold stated, "This is an important milestone for the project as it moves into operation and is a testament to the hard work that our Öksüt team has put in to reach this goal. With Öksüt now moving into operation, the mine will soon be the Company's third source of gold production."

## Cautionary Note Regarding Forward-looking Information

*Information contained in this document which are not statements of historical facts, and the documents incorporated by reference herein, may be "forward-looking information" for the purposes of Canadian securities laws. Such forward-looking information involves risks, uncertainties and other factors that could cause actual results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward looking information. The words "believe", "expect", "anticipate", "contemplate", "plan", "intends", "continue", "budget", "estimate", "may", "will", "schedule", "understand" and similar expressions identify forward-looking information. These forward-looking statements relate to, among other things: expectations regarding the timing of first gold pour at the Öksüt Project.*

*Forward-looking information is necessarily based upon a number of estimates and assumptions that, while considered reasonable by Centerra, are inherently subject to significant political, business, economic and competitive uncertainties and contingencies. Known and unknown factors could cause actual results to differ materially from those projected in the forward-looking information. See section titled "Risks that can affect our business" in the Company's most recently filed Annual Information Form available on SEDAR at [www.sedar.com](http://www.sedar.com). Forward-looking information is as of November 14, 2019. Centerra assumes no obligation to update or revise forward-looking information to reflect changes in assumptions, changes in circumstances or any other events affecting such forward-looking information, except as required by applicable law.*

## About Centerra
