20.11.2019 | [Newsfile](#)

Vancouver, November 20, 2019 - [Manado Gold Corp.](#) (TSXV: MDO) ("Manado") announces it has received conditional approval to acquire InsuraGuest Inc. ("InsuraGuest"), a software-as-a-service (SaaS) company focused on InsurTech and is providing an update on recent news and developments.

History of InsuraGuest Business Development

InsuraGuest was incorporated in Utah Sept. 21, 2017, and is headquartered in Salt Lake City. From its inception until the end of 2018, InsuraGuest concentrated its resources on the development of its proprietary InsurTech software platform. The InsurTech platform facilitates the delivery and maintenance of insurance products issued by licensed insurers. The platform integrates property management systems (PMS) at hotels and vacation rental properties to deliver a specialized product that provides primary insurance coverage for registered guests. Coverage includes personal property, accidental medical expense, and accidental death or dismemberment. The benefit to the property is that certain liabilities are transferred to the policy and away from the property.

InsuraGuest's software platform is now developed and integrates with over 71 PMS systems giving the company access to approximately 40,000 properties worldwide. InsuraGuest has also established crucial relationships with insurance providers and licensed brokers. The company now offers its product to hotel properties and vacation rentals in the United States, with plans to expand worldwide by 2020.
