

First Energy Provides Property Update

29.11.2019 | [CNW](#)

VANCOUVER, Nov. 28, 2019 - First Energy Metals Ltd. (CSE: FE) (the "Company") would like to announce it has terminated its option agreement on the Russel Graphite property located in Gatineau area of Quebec and will be returning the property back to the vendor.

Management decision to discontinue the option was based on its desire to focus its efforts on 100% optioned Phyllis Cobalt property in Ontario and with that being said, will continue to work towards furthering its exploration efforts on the Phyllis property. In addition, the Company will not continue to pursue its letter of intent originally signed on September 23, 2019 to acquire Muzhu Mining Ltd.

About First Energy Metals Limited.

[First Energy Metals Ltd.](#) is a junior resource company engaged in the exploration and development of energy metals such as cobalt within its exploration property portfolio in North America. The Company's goal is to acquire prospective technology metals properties and develop them.
