

Sego Resources Inc. - Financing Flow-Through Price Change to \$0.06

11.12.2019 | [Newsfile](#)

Vancouver, December 11, 2019 - [Sego Resources Inc.](#) (TSXV: SGZ) ("Sego" or "the Company") proposes a change to the financing announced in News Release of November 28, 2019 the total remains up to \$1.0 million. The Flow-Through Units (FTU) have been repriced from \$0.07 to \$0.06 per Flow-Through Unit.

[Sego Resources Inc.](#) is proposing to raise up to \$1,000,000 by way of a non-brokered private placement of units at \$0.05 per unit and \$0.06 per Flow-Through Unit. The offering is open to all existing Sego shareholders and non-shareholders subject to certain limitations discussed below.

The offering will consist of up to 14,285,700 Flow Through units (FTU) at \$0.06 per unit for gross proceeds of \$857,142 and up to 2,857,160 Non Flow-Through Units (NFTU) at \$0.05 per unit for gross proceeds of \$142,858. The Flow-Through Units and Non Flow-Through Units may vary in totals depending on demand. The total of the financing is expected to be \$1,000,000.

Each FTU will consist of one Flow-Through common share and one common share purchase warrant. Each full warrant will entitle the holder to purchase an additional common share at \$0.15 for two years from closing of the private placement. Each NFTU will consist of one common share and one warrant. Each warrant will entitle the holder to purchase an additional common share at \$0.10 for two years from the closing of the private placement.

This placement may close in several tranches and Insiders may participate in the placement. The Flow-Through proceeds will be expended on continued exploration on the Company's Miner Mountain Copper-Gold Alkalic Porphyry project, near Princeton, BC.

The Non Flow-Through proceeds will be used for working capital and general corporate purposes. Finder's fees may be payable on all or a portion of the offering, and will consist of a cash fee of 7% and a Broker's Warrant where applicable, which will entitle the holder to subscribe for one common share for two years from the closing date of the offering at 10 cents.

This offering will be subject to the completion of formal documentation, receipt of all necessary regulatory approvals, including the TSX Venture Exchange and other customary conditions. All of the securities sold pursuant to the offering will be subject to a four-month hold period from the date of closing.

The offering is open to all existing shareholders of the Company and all interested investors, provided that a prospectus exemption is available for the Company to issue units to such investors. For existing shareholders who as of the close of business on November 28, 2019 held common shares of the Company and continue to hold common shares at the time of closing, an additional prospectus exemption is available pursuant to British Columbia Instrument 45-534 (and in similar instruments in other Provinces of Canada). Unless such shareholder is a person that has obtained advice regarding the suitability of the investment and, if such shareholder is resident in a jurisdiction of Canada, that advice has been obtained from a person that is registered as an investment dealer in such jurisdiction, the aggregate subscription cost to such shareholder for the units subscribed under the Existing Shareholder Exemption cannot exceed \$15,000 or 300,000 units.

The Company also plans to utilize British Columbia Instrument 45-536 which opens private placements to non-accredited investors provided the purchaser has obtained advice regarding the suitability of the investment and that advice has been obtained from a person that is registered as an investment dealer in the jurisdiction. Completion of the private placement is subject to the TSX Venture Exchange approval.

There is no minimum offering size for the private placement and the maximum number of units proposed to be issued is 17,142,860 units for gross proceeds of \$1,000,000. The Company fully expects to spend the funds as stated; there may be circumstances, for sound business reasons, where a reallocation of funds may be necessary.

There is no material change about the issuer that has not been generally disclosed.

This News Release was reviewed and approved by Selina Tribe, Ph.D., P.Geo., a Qualified Person under NI 43-101.
