

Skeena Files PEA Technical Report for Eskay Creek

20.12.2019 | [ACCESS Newswire](#)

VANCOUVER, December 20, 2019 - Skeena Resources Limited (TSX.V:SKE)(OTCQX:SKREF) ("Skeena" or the "Company") is pleased to announce that it has filed on SEDAR the independent NI 43-101 Preliminary Economic Assessment Technical Report for the Eskay Creek Gold-Silver Project ("PEA"), located in the Golden Triangle of British Columbia. The results of the PEA were previously announced in the Company's news release dated November 7, 2019. A copy of the PEA is also located on the Eskay Creek project page of the Company's website.

About Skeena

[Skeena Resources Ltd.](#) is a junior Canadian mining exploration company focused on developing prospective precious and base metal properties in the Golden Triangle of northwest British Columbia, Canada. The Company's primary activities are the exploration and development of the past-producing Snip and Eskay Creek mines. In addition, the Company has completed a Preliminary Economic Assessment on the GJ copper-gold porphyry project.

On behalf of the Board of Directors of [Skeena Resources Ltd.](#),

Walter Coles Jr.

President & CEO

Cautionary note regarding forward-looking statements

Certain statements made and information contained herein may constitute "forward looking information" and "forward looking statements" within the meaning of applicable Canadian and United States securities legislation. These statements and information are based on facts currently available to the Company and there is no assurance that actual results will meet management's expectations. Forward-looking statements and information may be identified by such terms as "anticipates", "believes", "targets", "estimates", "plans", "expects", "may", "will", "could" or "would". Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the estimation of mineral resources and reserves, the realization of resource and reserve estimates, metal prices, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.

Neither TSX Venture Exchange nor the Investment Industry Regulatory Organization of Canada accepts responsibility for the adequacy or accuracy of this release.
