

Aurion Resources Exhibiting at Core Shack Booth 1024, AME Roundup, Jan 20-21

14.01.2020 | [CNW](#)

ST. JOHN'S, Jan. 14, 2020 - [Aurion Resources Ltd.](#) (TSX VENTURE: AU) ("Aurion" or the "Company") would like to cordially invite you to visit members of the team at Booth #1024 at the AME Roundup Conference to be held at the Vancouver Convention Centre West (1055 Canada Place, Vancouver) on Monday, January 20 to Thursday, January 23, 2020.

The Company will be displaying core from the Aamurusko Main and Aamurusko Northwest discoveries on its Risti property in the Central Lapland Greenstone Belt in northern Finland. In addition, Aurion will have some surface samples from its newest discoveries on its Launi East property, which it is currently drilling. Aurion Resources will be in booth #1024 January 20th and 21st from 9:00 am to 4:00 pm.

Interested parties are encouraged to drop by the booth and meet the team and learn more about the projects. Alternately, if you prefer to schedule a meeting, please contact Mark Santarossa at msantarossa@aurionresource.ca.

About Aurion Resources Ltd.

[Aurion Resources Ltd.](#) (Aurion) is a Canadian exploration company listed on the TSX Venture Exchange (TSX-V:AU). Aurion's strategy is to generate or acquire early stage precious metals exploration opportunities and advance them through direct exploration by our experienced team or by business partnerships and joint venture arrangements. Aurion's current focus is exploring on its Flagship Risti and Launi projects, as well as advancing our joint venture agreements with Kinross Gold Corp., B2 Gold Corp., and [Strategic Resources Inc.](#) in Finland.

On behalf of the Board of Directors,
David Lotan, Chairman

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act") or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.

This news release may include forward-looking statements that are subject to inherent risks and uncertainties. All statements within this news release, other than statements of historical fact, are to be considered forward looking. Although Discovery believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those described in forward-looking statements. Factors that could cause actual results to differ materially from those described in forward-looking statements include fluctuations in market prices, including metal prices, continued availability of capital and financing, and general economic, market or business conditions. There can be no assurances that such statements will prove accurate and, therefore, readers are advised to rely on their own evaluation of such uncertainties. There can be no assurance that the Private Placement will close on the announced terms. Discovery does not assume any obligation to update any forward-looking statements except as required under applicable laws.
