

# Petrox Announces Proposed Transaction with Good Time Mega Trade International Limited

28.01.2020 | [Newsfile](#)

Calgary, January 28, 2020 - [PetRox Resources Ltd.](#) (TSXV: PTC) ("Petrox") is pleased to announce that it has signed a non-binding letter of intent effective January 26, 2020 (the "LOI") with Good Time Mega International Trade Limited, a private company with limited liability organized under the laws of Hong Kong ("Good Time"). The LOI outlines the general terms and conditions pursuant to which Petrox and Good Time would be willing to complete a transaction that would result in a reverse take-over of Petrox by the securityholders of Good Time (the "Transaction"). The Transaction, if approved, would constitute a Reverse Takeover transaction and a Change of Business under the policies of the TSX Venture Exchange (the "TSXV") and the company will continue as an Industrial Issuer under the policies of the TSXV.

The Transaction is an Arm's Length Transaction (as defined in the policies of the TSXV). No Non-Arm's Length Parties (as defined in the policies of the TSXV) of Petrox have any interest in Good Time or the assets of Good Time and no Non-Arm's Length Parties of Good Time have an interest in Petrox or its assets.

The LOI provides that pursuant to the Transaction, Petrox will complete a 10:1 consolidation of its common shares and that Petrox will acquire all of the issued and outstanding shares of Good Time from the existing shareholders of Good Time in exchange for 35,325,484 post-consolidation shares of Petrox at a deemed price of \$0.05 per share for a total deemed price of \$1,766,274.20. The LOI provides that if the consolidation is completed other than on a 10:1 basis, the number of Petrox shares that will be issued in exchange for the Good Time shares will be adjusted accordingly. If the issuance of the 35,325,484 common shares would result in the public float (as defined in TSXV policies) of common shares of Petrox being less than 20% of the total issued common shares of Petrox after the Transaction, then Petrox shall issue a combination of common shares and preferred shares convertible into common shares on a one for one basis, such that the number of common shares issued under the Transaction shall equal 20% of the total issued common shares of Petrox and the remainder shall be convertible preferred shares.

No finder's fee is payable in respect of the transaction.

It is not anticipated that a financing or private placement will be completed in connection with the Transaction.

The transaction will be structured by way of a plan of arrangement, amalgamation, takeover bid, reorganization or other similar form of transaction, as determined following a review of all relevant legal, regulatory and tax matters. The LOI contemplates Petrox and Good Time entering into a definitive agreement with respect to the Transaction prior to or on March 31, 2020 or such other date as may be agreed upon by the parties, failing which the LOI will be terminated.

In connection with the Transaction, it is contemplated that Petrox will change its name to "Good Time Mega Trading International Limited" or such other name as may be requested by Good Time and accepted by Alberta Registries and the TSXV. It is also contemplated that the then current directors of Petrox will resign and be replaced by nominees of Good Time. Once the proposed director nominees are identified, Petrox will issue a subsequent press release providing their names and biographies as well as those of any other persons who will be insiders of Petrox post-Transaction.

Additionally, concurrently with the completion of the Transaction, it is intended that all of the oil and gas assets and liabilities of Petrox held just prior to the closing of the Transaction will be transferred to a newly created wholly-owned subsidiary of Petrox and that all of the shares of the subsidiary will be distributed by Petrox to all of shareholders of Petrox of record at the time of the distribution (the "Spin-Out Transaction"). The Spin-Out Transaction will be completed by way of a plan of arrangement or other form of transaction to be approved by the shareholders of Petrox and, if applicable, by the Court of Queen's Bench of Alberta.

The LOI provides that completion of the Transaction is subject to a number of conditions including the approval from the Petrox shareholders of the proposed consolidation and name change, approval from the Good Time shareholders of the Transaction and approvals from the TSXV, securities regulators and third parties as may be required.
