## **Announces Commencement of Consent Solicitation with Respect to its 4.750% Senior Notes due 2022, 5.125% Senior Notes due 2023, 5.125% Senior Notes due 2024 and 4.500% Senior Notes due 2027**

NEW YORK, Feb. 4, 2020 /PRNewswire/ -- [Fortescue Metals Group Ltd.](#) (ACN 002 594 872) ("Fortescue") (ASX: FMG) today announced that its wholly-owned subsidiary, FMG Resources (August 2006) Pty Ltd (ACN 118 887 835) (the "Issuer") has commenced a consent solicitation (the "Consent Solicitation") with respect to proposed amendments to the indenture, dated as of May 12, 2017 (as supplemented to the date hereof, the "Indenture"), governing the series of notes described in this release (the "Notes").

### Consent Solicitation

Subject to the terms and conditions described in the Solicitation Materials (as defined below), the Issuer is soliciting consents from the holders of each series of Notes ("Holders") to the proposed amendments to the Indenture to allow Fortescue to carve out subsidiaries that are financed with non-recourse project finance indebtedness from the existing "Significant Subsidiaries" definition. As a result, the Proposed Amendments to the Indenture will (a) allow Fortescue to finance projects that may arise from time to time with limited recourse project finance debt, without creating cross-acceleration or cross-default exposure to the Notes and (b) amend the definition of "Project Debt" to reflect the structure of project finance debt that may be incurred to finance such Project Debt (the "Proposed Amendments"). The Proposed Amendments are intended to align the terms of the Notes, with respect to the treatment of Project Debt, with Fortescue's other debt instruments, including the Term Loan and Revolving Credit Facility.

The Issuer is offering to pay Holders who validly deliver and do not revoke their consent to the Proposed Amendments a cash payment equal to the amount set forth below per \$1,000 principal amount of the applicable series of Notes held by such holders (collectively, the "Consent Payments"), subject to satisfaction or waiver of certain conditions, including the receipt of valid consents of a majority in aggregate principal amount of each series of the Notes (the "Requisite Consents") and receipt of the Requisite Consents for all series of the Notes (the "Cross-Condition"). Each series of the Notes is currently rated Ba1 and BB+ by Moody's and S&P Global Ratings, respectively. Fortescue expects that the Proposed Amendments will not affect these ratings.

If the Requisite Consents are not received for all series of the Notes, the First Supplemental Indenture (as defined below) will not be entered into and the Proposed Amendments will not become effective in respect of any series of Notes, except that the Issuer reserves the right to waive the Cross-Condition, in which case the First Supplemental Indenture may be entered into and the Proposed Amendments may become effective in respect only of those series of Notes for which the Requisite Consents are received.

The Issuer anticipates that, promptly after receipt of the Requisite Consents for all series of Notes (or, in the event that the Issuer elects to waive the Cross-Condition, only for those series of Notes for which the Requisite Consents have been received) at or prior to the Expiration Time (such time the "Effective Time"), it will give notice to the Trustee that the Requisite Consents have been obtained and that the Issuer, Fortescue and the Trustee will execute a supplemental indenture to the Indenture to give effect to the Proposed Amendments (the "First Supplemental Indenture"). The First Supplemental Indenture will become effective at the Effective Time in respect of all series of Notes (or, in the event that the Issuer elects to waive the Cross-Condition, only for those series of Notes for which the Requisite Consents have been received) and the Proposed Amendments will become operative at the Effective Time. Holders will not be able to revoke their Consents after the Effective Time. Holders should note that the Effective Time may be prior to the Expiration Time and Holders will not be given prior notice of such Effective Time.

The Consent Solicitation will expire at 5:00 p.m., New York City time, on February 12, 2020 (as such date may be extended by the Issuer in its sole discretion) (the "Expiration Time"). The Issuer, in its sole discretion, may terminate the Consent Solicitation without the obligation to make any cash payments at any time prior to the Effective Time, whether or not the Requisite Consents have been received. Except for the Proposed Amendments, all of the existing terms of the Notes and the Indenture will remain unchanged.

This press release does not set forth all of the terms and conditions of the Consent Solicitation. Holders of

the Notes should carefully read the Issuer's Consent Solicitation Statement, dated February 4, 2020, and any accompanying materials (collectively, the "Solicitation Materials"), for a complete description of all terms and conditions before making any decision with respect to the Consent Solicitation. None of the Issuer, Fortescue, the Trustee, the Solicitation Agent or the Information and Tabulation Agent makes any recommendation as to whether Holders should deliver Consents to the Proposed Amendments. Morgan Securities LLC, at (866) 834-4666 (toll-free) or (212) 834-2042 (collect). Copies of the Solicitation Materials may be obtained from the information and tabulation agent, D.F.
