

Aura Comments on Market Rumours

06.02.2020 | [GlobeNewswire](#)

ROAD TOWN, Feb. 06, 2020 - [Aura Minerals Inc.](#) (TSX: ORA) (“Aura” or the “Company”) is aware of media reports in Brazil that the Company is planning on a dual listing by raising capital in the Brazilian Equity market.

The Company is always evaluating alternatives with the aim of creating value for its shareholders. No determination to pursue any particular course of action has been made at this time. The Company will keep the market informed on a timely basis if any event or action which constitutes a material change in its affairs or material information occurs and in respect of which disclosure is necessary or advisable.

Forward-Looking Information

This press release contains “forward-looking information” and “forward-looking statements”, as defined in applicable securities laws (collectively, “forward-looking statements”) which include, but are not limited to, statements with respect to the activities, events or developments that the Company expects or anticipates will or may occur in the future.

Known and unknown risks, uncertainties and other factors, many of which are beyond the Company’s ability to predict or control, could cause actual results to differ materially from those contained in the forward-looking statements. Specific reference is made to the most recent Annual Information Form on file with certain Canadian provincial securities regulatory authorities for a discussion of some of the factors underlying forward-looking statements.

All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements whether as a result of new information or future events or otherwise, except as may be required by law. If the Company does update one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those or other forward-looking statements.

About Aura 360° Mining

Aura is focused on mining in complete terms – thinking holistically about how its business impacts and benefits every one of our stakeholders: our company, our shareholders, our employees, and the countries and communities we serve. We call this 360° Mining.

Aura is a mid-tier gold and copper production company focused on the development and operation of gold and base metal projects in the Americas. The Company’s producing assets include the San Andres gold mine in Honduras, the Ernesto/Pau-a -Pique gold mine in Brazil and the Aranzazu copper-gold-silver mine in Mexico. In addition, the Company has two additional gold projects in Brazil, Almas and Matupá, and one gold project in Colombia, Tolda Fria.
