C1 Property Drilling Program Phase 2

Woodstock, February 12, 2020 - [Joshua Gold Resources Inc.](#) (OTC Pink: JSHG) is pleased to announce that it will be mobilizing a drilling rig onto its C1 JV property over the next week. In this JSHG Phase 2 drilling program our geological team is determining where to drill the next few holes on the property. In our JSHG Phase 1 drilling program JSHG has already drilled eight holes on the C1 property which are documented in the Company's 43-101 formatted disclosure document.

JSHG head geologist, Fred Sharpley, P. Geo comments, "Our geological team will be looking systematically at all the relevant historical geological data in order to pinpoint our drilling targets."

Borden North Acquisition

Finally, on January 15, 2020, JSHG has purchased a 100% interest in eleven claims (approximately 495 acres), known as the Borden North Property in Cochrane and Darcy Townships located about 6.5 kilometers (app. 4 miles) north of the Newmont Borden Lake gold mine in Northern Ontario. The Company paid one hundred thousand JSHG common shares for the mineral property. The Borden Lake mine has proven and probable reserves of 2.61 million tons of estimated, measured and indicated gold reserves with an average grade of 5.81/g/t.

JSHG CEO Ben Fuschino states, "The Company is pleased to announce Phase Two of its drilling program on the C1 Property as it marks another milestone in JSHG's plan. The assay results on KSM are positive and the acquisition of the Borden North Property are part of the Company's continued goal to identify, acquire and explore interests in prospective mineral properties with high value potential.
