

Lithoquest Diamonds Inc. Announces Terms for Non-Brokered Private Placement

20.02.2020 | [ACCESS Newswire](#)

VANCOUVER, February 20, 2020 - Lithoquest Diamonds Inc. (TSXV:LDI) ("Lithoquest", or the "Company") announces that it will conduct a non-brokered private placement (the "Offering"), subject to the approval of the TSX Venture Exchange (the "Exchange"), for aggregate gross proceeds of up to \$250,000. The Offering will consist of common shares (the "Shares") at a price of \$0.03 per Share.

The Offering will be conducted pursuant to available prospectus exemptions including sales to accredited investors, family members, close friends and business associates of directors and officers of the Company, to purchasers who have obtained suitability advice from a registered investment dealer pursuant to the exemption set out in BC Instrument 45-536 (the "Investment Dealer Exemption") and to existing shareholders of the Company pursuant to the exemption set out in British Columbia Securities Commission BC Instrument 45-534 (the "Existing Shareholder Exemption").

The Offering is not subject to a minimum amount and the maximum offering is 8,333,334 Shares for gross proceeds of \$250,000. The gross proceeds of the Offering will be used for general working capital purposes. If the Offering is over-subscribed, subscriptions will be accepted at the discretion of the Company and subject to the approval of the Exchange; therefore, it is possible that a subscriber's subscription may not be accepted by the Company even though it is received within the Offering period unless the Company determines to increase the size of the Offering.

The Existing Shareholder Exemption is available to shareholders residing in all Canadian jurisdictions. Shareholders of record of the Company as at February 20, 2020 (the "Record Date") are eligible to participate under the Existing Shareholder Exemption. To rely upon the Existing Shareholder Exemption, the subscriber must: a) have been a shareholder of the Company on the Record Date and continue to hold shares of the Company until the date of closing of the Offering, b) be purchasing the Shares as a principal, and c) either may not subscribe for more than \$15,000 of securities from the Company in any 12 month period or have received advice from a registered investment dealer regarding the suitability of the investment. Existing shareholders interested in participating in the Offering should consult their investment advisor or the Company directly.

The Offering may be closed in one or more tranches as subscriptions are received. The minimum subscription amount is 50,000 Shares for \$1,500.

All securities issued pursuant to the Offering will be subject to statutory hold periods in accordance with applicable United States and Canadian securities laws.

The securities offered have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws and may not be offered or sold absent registration or compliance with an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws.

Subject to Exchange approval, finder's fees may be paid to persons who introduce the Company to investors. As required by the Investment Dealer Exemption, the Company confirms that there are no material facts or material changes that have not been disclosed.
