Ellis Martin Report: Taiga Gold Corp:: Expands its Orchid Project by Acquiring Additional High Grade Gold Occurrences

24.02.2020 | ABN Newswire

Malibu, CA, United States - Join Ellis Martin for a conversation with Tim Termuende, the CEO and President of Taiga Gold Corp. (CNSX:TGC) (OTCMKTS:TGGDF), a mineral exploration company focussing on gold in eastern Saskatchewan, Canada. The company's flagship project is the Fisher property, located adjacent to SSR Mining's Seabee Gold Operation property and approximately 1.5km from the Santoy Mine itself. The Fisher property is bisected by the Santoy Shear Zone along its entire length, approx. 18km, and the nearby Santoy Mine is currently producing high-grade gold from this structure. The Fisher property is under option to SSR Mining where they are undertaking significant exploration including drilling with the intent of locating gold deposits for development into potential reserves.

In this segment we discuss Taiga expanding its Orchid Project by acquiring additional high grade gold occurrences.
