

Inception Mining, Inc. Announces Relief Efforts in Honduras

26.03.2020 | [GlobeNewswire](#)

[Inception Mining Inc.](#) is pleased to announce that its subsidiary, Minera Cerros del Sur, has teamed up with the local government of El Corpus, Honduras to provide humanitarian relief to the communities surrounding Inception's Clavo Rico mine, including donating much-needed supplies, various staple food items, and toiletries to the surrounding area. Due to the threat of COVID-19, Honduras has been in a countrywide lock-down with orders to remain at home. The people of El Corpus, especially the poorer and at-risk community members, have not been able to go to town to purchase basic supplies. Inception Mining understands gravity of the situation, and graciously donated enough supplies to feed over 350 at-risk families in El Corpus and the surrounding villages. Inception's policy of producing sustainable and profitable operations is not just related to mining; community is what drives forward momentum. Without community, there is no profitability.
