

# MAYA announces the postponement of filing its annual financial statements, MD&A and AIF for the year 2019, due to COVID-19 related-delays

30.03.2020 | [GlobeNewswire](#)

MONTREAL, March 30, 2020 - [Maya Gold & Silver Inc.](#) (“Maya” or the “Corporation”) (TSX: MYA) has postponed filing its annual financial statements, management's discussion and analysis and annual information form for the year ended December 31, 2019 (collectively the “2019 annual documents”), due to logistics and delays caused by the COVID-19 pandemic. Maya is relying on exemptive relief recently granted by Canadian securities regulatory authorities that allows it to delay the filing of its annual documents required by National Instrument 51-102 by March 30, 2020. In response to the coronavirus disease 2019 pandemic, securities regulatory authorities in Canada have granted a blanket exemption allowing issuers an additional 45 days to complete their regulatory filings. Maya estimates that its 2019 annual documents will be available for filing at its earliest opportunity, which is expected to occur in late-April 2020. Until such time as the 2019 annual documents are filed, Maya’s management and other insiders are subject to a trading blackout that reflects the principles contained in section 9 of National Policy 11-207 – *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

There have been no material business developments since the date of the last interim financial statements, filed on November 14, 2019, a copy of which is available on SEDAR at [www.sedar.com](http://www.sedar.com).
