VANCOUVER, April 17, 2020 - [Azarga Uranium Corp.](#) (TSX:AZZ)(OTCQB:AZZUF)(FRA:P8AA) ("Azarga Uranium" or the "Company") has closed its non-brokered private placement, previously announced on the 13th and 14th of April 2020, for gross proceeds of approximately \$1.6 million through the issuance of 10,933,333 units (each, a "Unit") at a price of \$0.15 per Unit (the "Financing"). The Financing was strongly supported by institutional investors.

Each Unit consists of one common share of the Company (each, a "Share") and one-half of one Share purchase warrant (each whole warrant, a "Warrant"). One Warrant entitles the holder thereof to purchase one Share of the Company at a price of \$0.20 per Share for a period of three years from closing. The Shares issued in connection with the Financing are subject to a four-month and a day hold period. The Financing is subject to the final approval of the Toronto Stock Exchange.

In connection with the Financing, the Company paid cash finder's fees of \$34,400.

About Azarga Uranium Corp.

Azarga Uranium is an integrated uranium exploration and development company that controls ten uranium projects and prospects in the United States of America ("USA") (South Dakota, Wyoming, Utah and Colorado), with a primary focus of developing in-situ recovery uranium projects. The Dewey Burdock in-situ recovery uranium project in South Dakota, USA (the "Dewey Burdock Project"), which is the Company's initial development priority, has received its Nuclear Regulatory Commission License and draft Class III and Class V Underground Injection Control ("UIC") permits from the Environmental Protection Agency (the "EPA") and the Company is in the process of completing other major regulatory permit approvals necessary for the construction of the Dewey Burdock Project, including the final Class III and Class V UIC permits from the EPA.

Disclaimer for Forward-Looking Information

Certain information and statements in this news release may be considered forward-looking information or

forward-looking statements for purposes of applicable securities laws (collectively, "forward-looking statements"), which reflect the expectations of management regarding its disclosure and amendments thereto. Forward-looking statements consist of information or statements that are not purely historical, including any information or statements regarding beliefs, plans, expectations or intentions regarding the future. Such information or statements may include, but are not limited to, statements with respect to the Financing being subject to the final approval of the Toronto Stock Exchange and Azarga Uranium's continued efforts to obtain all major regulatory permit approvals necessary for the construction of the Dewey Burdock Project, including the final Class III and Class V UIC permits from the EPA. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits Azarga Uranium will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions, which may prove to be incorrect. A number of risks and uncertainties could cause actual results to differ materially from those expressed or implied by the forward-looking statements, including without limitation: the risk that final approval for the Financing is not received by the Toronto Stock Exchange, the risk that Azarga Uranium does not obtain all major regulatory permit approvals necessary for construction of the Dewey Burdock Project, including the final Class III and Class V UIC permits from the EPA, the risk that such statements may prove to be inaccurate and other factors beyond the Company's control. These forward-looking statements are made as of the date of this news release and, except as required by applicable securities laws, Azarga Uranium assumes no obligation to update these forward-looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements. Additional information about these and other assumptions, risks and uncertainties are set out in the "Risks and Uncertainties" section in the most recent AIF filed with Canadian security regulators.
