

Altiplano and Its Auditors to Rely on Filing Deadline Extension

30.04.2020 | [Newsfile](#)

Edmonton, April 29, 2020 - [Altiplano Metals Inc.](#) (TSXV: APN) (WKN: A2JNFG) ("Altiplano" or the "Company") announces that it and its auditors are relying on the extension provided by Canadian securities regulators as a result of the COVID-19 pandemic regarding the deadline for filing and delivering its audited financial statements and MD&A (together, the "Financials") for the fiscal year ended December 31, 2019. The Company expects that this extension will be brief, and is working with its auditors to file its Financials no later than May 15, 2020.

Until the Financials are filed, the Company's management and directors are subject to a trading black-out that reflects the principles in Section 9 of National 11-207 Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions.

The Company confirms that there have been no unannounced material business developments since the Company filed its September 30, 2019 interim financial reports and MD&A.

About Altiplano

[Altiplano Metals Inc.](#) (TSXV: APN) is a mineral exploration company focused on evaluating and acquiring projects with significant potential for advancement from discovery through to production, in Canada and abroad. Management has a substantial record of success in capitalizing on opportunity, overcoming challenges and building shareholder value. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the (TSX Venture Exchange)) accepts responsibility for the adequacy or accuracy of this release.

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continuity of mineralization, uncertainties related to the ability to obtain necessary permits, licenses and title and delays due to third party opposition, changes in government policies regarding mining and natural resource exploration and exploitation, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those

projected in the forward-looking statements. For more information on the Company, investors should review the Company's continuous disclosure filings that are available at www.sedar.com.
