

Dundee Precious Metals Announces Expected Broadening of Institutional Shareholder Base and Reduction in Ownership by Dundee Corporation

07.05.2020 | [GlobeNewswire](#)

TORONTO, May 07, 2020 - [Dundee Precious Metals Inc.](#) (TSX: DPM) (“DPM” or “the Company”) announced today that Dundee Corporation (“Dundee Corp.”), currently holder of 19.8% of DPM, has entered into an agreement (the “Agreement”) with RBC Dominion Securities Inc. and Stifel GMP to sell approximately half of its holdings in DPM in order to provide funding for Dundee Corp. and to assist DPM in further broadening its shareholder base.

“I am very proud of what we have accomplished since 2003 at DPM,” said Jonathan Goodman, Chair of the Board of Directors of DPM, and Chairman and Chief Executive Officer of Dundee Corp. “This transaction provides Dundee Corp. with a source of capital and at the same time allows DPM to further broaden its shareholder base and fully achieve its true value potential going forward. Dundee Corp. remains extremely supportive of the current management team’s ability to deliver significant additional upside and intends to remain a large shareholder of DPM, and I look forward to continuing in my role as Chair of the DPM Board.”

“We would like to thank Dundee Corp. and Jonathan for the continued support and for the ongoing guidance in achieving our current status as a mid tier producer,” said David Rae, President and CEO of DPM. “We are pleased that Dundee Corp. will remain a significant shareholder and look forward to welcoming a number of new institutional shareholders, which we expect will improve the trading liquidity of our shares over time, and increase our weightings in passive investment funds.”

As part of the Agreement, Dundee Corp. will sell 20,000,000 units (the “Units”) at a price of \$6.35 per Unit, with each Unit comprised of 1 common share of DPM held by Dundee Corp. (the “Common Shares”), and one-half of a Common Share purchase warrant (“the Warrants”). Each full Warrant will be exercisable into one DPM share held by Dundee Corp. at an exercise price of \$8.00 for a term of 12 months. Following the transaction, Dundee Corp. will own approximately 8.8% of DPM, and 3.3% should all the Warrants get exercised.

DPM is not issuing any shares from treasury and will not receive any proceeds from the transaction.

The transaction is expected to close on May 13, 2020.
