About IMC International Mining Corp.

IMC is a junior exploration and development company focused on creating shareholder value through the advancements of its current assets which include the Thane Property in north-central British Columbia, and the Bullard Pass Property in Arizona. Utilizing its heavily experienced management team. IMC continues to source and evaluate assets to provide shareholder value.

The Thane Property covers approximately 206 km² (50,904 acres) and is located in the Quesnel Terrane of north-central British Columbia. The northern part of the Quesnel Terrane extends from south of the Mt. Milligan Mine northward to the Kemess Mine, with the Thane property located midway between these two copper-gold porphyry deposits. The property includes several highly prospective mineralized areas identified to date, including the 'Cathedral Area' on which the Company is currently focused.

The Bullard Pass Property is comprised of 171 unpatented federal lode claims totaling 3,420 acres and is located in west-central Arizona, northwest of Phoenix, within the Pierce Mining District in Yavapai County. The property has a regional setting typical of detachment fault gold deposits and has geological, mining and metallurgical similarities to the Mesquite Mine in California. The claims are 100% owned by [IMC International Mining Corp.](#)
