As an update on the news release issued April 29, 2020, the Company will rely on the exemption provided in Alberta Securities Commission Blanket Order 51-517 (the "Blanket Order") and similar exemptions provided by the other Canadian securities regulators which provide for an extension of up to 45 days from the original filing date (April 29, 2020) for Company's year-end audited financial statements, the accompanying management and discussion and analysis, the statement of reserves data required by National Instrument 51-101 - *Standards of Disclosure for Oil and Gas Activities* and related certifications for the fiscal year ending December 31, 2019 (collectively the "Annual Filings"). As required by the conditions of the Blanket Order, the Company confirms that its management and insiders are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 - *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions* until the completion of its Annual Filings and Interim Filings. Since the filing of its financial statements for the three and nine month periods ended September 30, 2019, the Company confirms that there have been no material business developments other than those disclosed in its news releases.
