About Alexco

Alexco is a Canadian primary silver company that owns the majority of the historic high-grade Keno Hill Silver District (the "District") in Canada's Yukon Territory. Alexco has a long history of expanding Keno Hill's mineral resources through successful exploration and is currently advancing a development plan for the District. In 2019, the Company published a positive pre-feasibility study that estimates production of 1.12 million tonnes of ore at an average rate of 430 tonnes per day at an average grade of 805 grams per tonne silver over an 8-year mine life from the Flame & Moth, Bermingham, Bellekeno and Lucky Queen deposits.

Cautionary Note Regarding Forward-looking Statements

Some statements ("forward-looking statements") in this news release contain forward-looking information concerning the Company's anticipated results and developments in the Company's operations in future periods, made as of the date of this news release. Forward-looking statements may include, but are not limited to, statements with respect to the timing of activities and reports. Forward-looking statements are subject to a variety of known and unknown risks, uncertainties and other factors which could cause actual events or results to differ from those expressed or implied by the forward-looking statements. Forward-looking statements are based on certain assumptions that management believes are reasonable at the time they are made. There can be no assurance that forward-looking statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as otherwise required by applicable securities legislation.
