

Mako Mining announces intention to rely on BC Instrument 51-516

29.06.2020 | [CNW](#)

VANCOUVER, June 29, 2020 - [Mako Mining Corp.](#) (TSX-V: MKO) (OTCQB: MAKOF) ("Mako" or the "Company") today announces that it is relying on the temporary blanket relief provided by the Canadian Securities Administrators, pursuant to BC Instrument 51-516 - Temporary Exemptions from Certain Requirements to File or Send Securityholder Materials, to postpone the filing of its executive compensation disclosure until such time as such executive compensation disclosure is filed and delivered to shareholders as part of the Company's management information circular (the "Circular") relating to its upcoming Annual and Special Meeting of Shareholders scheduled to be held on August 27, 2020 (the "Meeting").

In light of current advice from governmental and medical authorities on public gatherings, Mako is, for the time-being, encouraging shareholders and others not to attend the Meeting in person. Instead, shareholders should vote their shares prior to the Meeting as per the voting and proxy instructions that will be set out in the Circular and participate in the Meeting by way of conference call. Further details with respect to the conference call are expected to be included in the Circular.

On behalf of the Board,

Akiba Leisman
Chief Executive Officer
