

RJK Explorations Resumes Drilling on Potential Kimberlite Targets

30.06.2020 | [Newsfile](#)

Kirkland Lake, June 30, 2020 - [RJK Explorations Ltd.](#) (TSXV: RJK.A) ("RJK" or the "Company") is pleased to announce that it has resumed drilling on several potential kimberlite targets within the Company's Cobalt, Ontario area land holdings. The drilling had been suspended earlier this season due to the Covid-19 crisis and the resulting restrictions.

Several geophysical and geological targets will be investigated that are supported by till kimberlite indicator mineral geochemistry located in the Paradis Pond area where tuffisitic, sandy kimberlite diatreme breccia, possibly a crater facies or a kimberlite sill, was found in four drill holes. A 22.4kg representative sample from those 4 drill holes contained a reported 18 micro diamonds and excellent kimberlite chemistry. (please see news release of April 01, 2020.)

Mr. Peter Hubacheck, P. Geo., Project Manager for RJK and the Qualified Person as defined by National Instrument 43-101 has approved the geotechnical disclosure in this release.

Forward Looking Information

This news release includes certain forward-looking statements, which may include, but are not limited to, statements concerning future mineral exploration and property option payments. Any statements contained herein that are not statements of historical facts may be deemed to be forward-looking, including those identified by the expressions "will", "anticipate", "believe", "plan", "estimate", "expect", "intend", "propose" and similar expressions. Forward-looking statements involve known and unknown risks and uncertainties that could cause actual results, performance, or achievements to differ materially from those expressed or implied in this news release. Factors that could cause actual results to differ materially from those anticipated in this news release include, but are not limited to, the financial resources of the Corporation being inadequate to carry out its stated plans. RJK assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those reflected in the forward-looking statements except as required by applicable law.
