## [Trigon Metals Inc.](#)

Trigon is a publicly traded Canadian exploration and development company with its core business focused on copper and silver holdings in mine-friendly African jurisdictions. Currently the company has operations in Namibia and Morocco. Namibia is one of the world's most prospective copper regions, where Trigon has substantial assets in place. The Company continues to hold an 80% interest in five mining licences in the Otavi Mountain lands, an area of Namibia widely recognized for its high-grade copper deposits. Within these licences are three past producing mines including the Company's flagship property, the Kombat Mine.
