

Blue Thunder Announces Final Closing of Private Placement

16.07.2020 | [Newsfile](#)

Toronto, July 16, 2020 - [Blue Thunder Mining Inc.](#) (TSXV: BLUE) ("BLUE" or the "Company") announces that it has completed the final closing of its private placement of \$2.296 million ("the Offering") (please see press releases from June 11, June 23 and July 6, 2020 for details of the Offering and first closing). As consideration for the private placement, the Company issued, in addition to securities issued in the first closing:

- 3,120,000 Units (the "Units") at a price of \$0.10 per unit;

Each Unit shall consist of one common share of the Company (each, a "Common Share") and one-half of one common share purchase warrant (each whole warrant, a "Warrant"). Each Warrant will be exercisable by the holder to acquire one Common Share at a price of \$0.15 for a period of 24 months following the closing of the Offering.

Aggregate gross proceeds from the final closing of the private placement was \$312,000 and the Company issued 3,120,000 common shares in association with final close of the private placement and 1,560,000 warrants, which expire on July 15, 2022. The net proceeds from the sale of the Units will be for the exploration of the Company's properties and for general working capital purposes.

Related Party Participation on the Private Placement

Directors, management and insiders subscribed for an aggregate of 600,000 Units in the second close of the offering, representing aggregate gross proceeds of \$60,000. The purchase of Units and Flow-through shares is considered to be a related party transactions under Multilateral Instrument 61-101, but is exempted from the requirements to obtain a formal valuation and to obtain minority approval, as the purchase of securities does not exceed 25% of the Company's market capitalization. The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(1)(a) of Multilateral Instrument 61-101.

Finders Fee Agreement

The Company has entered into an agreement (the "Agreement") with Red Cloud Securities Inc. (the "Finder") whereby the Company has agreed to pay a fee to the Finder in respect to those purchasers under the Offering introduced to the Company by the Finder. The Finder shall be paid a cash payment equal to 7% of the gross proceeds received by the Company from purchasers under the Offering who were introduced to the Company by the Finder, with such fee representing \$17,640 paid by the Company to the Finder (the "Cash Finder's Fee") for the first and second closing. In addition, the Company shall issue 176,400 non-transferrable common share purchase warrants to the Finder in an amount equal to 7% of the common shares issued by the Company to purchasers under the Offering who were introduced to the Company by the Finder, with each such warrant entitling the Finder to acquire one common share for a period of 24 months following the closing of the Offering at a price of \$0.10 per common share (the "Finder's Warrants").

The entering into the Agreement is considered to be a related party transaction under Multilateral Instrument 61-101, but is exempted from the requirements to obtain a formal valuation and to obtain minority approval, as the consideration payable to the Finder under the Agreement does not exceed 25% of the Company's market capitalization. The independent directors of the Company have approved the Agreement. The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(1)(a) of Multilateral Instrument 61-101.

The shares and warrants issued under this Offering are subject to a mandatory hold period of four months

plus one day from the closing date, expiring on November 16, 2020. The Offering remains subject to the final approval of the TSX Venture Exchange.

Capital Markets Advisory Engagement

The Company has also entered into a capital markets advisory engagement (the "engagement") with Red Cloud Financial Services Inc. ("Red Cloud"). Under the engagement, Red Cloud will be paid a fee of \$10,000 per month for the services it will provide to the Company for an initial period of six months, automatically renewing month-to-month thereafter. The engagement of Red Cloud is subject to TSX Venture Exchange approval.

The entering into the engagement is considered to be a related party transaction under Multilateral Instrument 61-101, but is exempted from the requirements to obtain a formal valuation and to obtain minority approval, as the consideration payable to the Finder under the Agreement does not exceed 25% of the Company's market capitalization. The independent directors of the Company have approved the Agreement. The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(1)(a) of Multilateral Instrument 61-101.

About BLUE

[Blue Thunder Mining Inc.](#) (TSXV: BLUE) is a gold exploration company focused in the Chibougamau Gold District of Québec, where it has consolidated approximately 51,000 hectares of prospective exploration claims in five separate blocks (the Muus Project), making BLUE one of the largest landholders in the District. Much of the exploration ground occurs along major regional structures, including the Guercheville and Fancamp Deformation Zones, both of which are associated with numerous gold and/or base metal deposits and showings in the District.

ON BEHALF OF THE BOARD

Robert Cinits

President and CEO

Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the anticipated content, commencement, anticipated exploration program results, the ability to complete future financings, the ability to complete the exploration program and drilling, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the state of the financial markets for the Company's equity securities, the state of the commodity markets generally, variations in the nature, quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Company may produce or plan to produce, the inability of the Company to obtain any necessary permits, consents or authorizations required, including TSXV acceptance,

for its planned activities, the inability of the Company to produce minerals from its properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, the potential impact of COVID-19 (coronavirus) on the Company's exploration program and on the Company's general business, operations and financial condition, and other risks and uncertainties. All of the Company's Canadian public disclosure filings may be accessed via www.sedar.com and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties. This news release contains information with respect to adjacent or similar mineral properties in the Chibougamau District in respect of which the Company has no interest or rights to explore or mine. Readers are cautioned that the Company has no interest in or right to acquire any interest in any such properties, and that mineral deposits, and the results of any mining thereof, on adjacent or similar properties, are not indicative of mineral deposits on the Company's properties or any potential exploitation thereof.
