

American Pacific Mining Announces that its 2020 Drill Program has Commenced at its Madison Mine Project

30.07.2020 | [GlobeNewswire](#)

VANCOUVER, July 30, 2020 - [American Pacific Mining Corp.](#) (CSE: USGD / FWB: 1QC / OTCPK: USGDF) ([American Pacific](#) or the [Company](#)) is pleased to announce the commencement of the 2020 drilling program at the Madison Project located in Silver Star, Montana, USA. The [Company](#)'s field operations and preliminary work on the project began in June of this year and the program is now moving forward. The Madison Project is currently under an earn-in, joint venture agreement, whereby Kennecott Exploration Company, part of the Rio Tinto Group may spend \$30 million USD to earn up to 70% of the Madison Project (see new release dated June 6, 2020).

The 2020 drill program will target over one kilometer of strike length of the Madison mineralization and will drill test areas south of the Madison Mine in the vicinity of the historic Broadway and Hudson Mines.

[American Pacific](#) is pleased to see the 2020 exploration and drilling program initiated and we are working with the Kennecott Exploration team to ensure safe working conditions during these unique times. The 2020 drill program mainly targets extensions of the high-grade copper and gold mineralization that has been historically drilled and locally mined on the Madison Mines property, states Warwick Smith, the [Company](#)'s CEO.
