

Clarity Gold Appoints Former SNC Director Michel Robert to its Advisory Board

14.09.2020 | [CNW](#)

VANCOUVER, Sept. 14, 2020 - [Clarity Gold Corp.](#) ("Clarity" or the "Company") (CSE: CLAR) (FSE: 27G) (OTC PINK:) is pleased to welcome Mr. Michel Robert to its Advisory Board. Mr. Robert brings a wealth of metallurgical, mining engineering and project generative experience to Clarity's growing team.

Mr. Michel Robert (B.A., B.A.Sc. (Hons), M.A.Sc (Hons)) is a metallurgist and mining engineer with over 45 years of diverse technical experience in the mining industry, both identifying assets for acquisition and then putting those mines back into production. In recent years he has focused on identifying and advancing earlier stage mineral properties for eventual sale to public and private companies.

Mr. Robert's experience in mining operations with major companies, include Quebec Cartier Mining Ltd., Teck Corp., SNC Minerals (now Goldcorp), AMEC, Minero Peru, Fluor Daniel and [Pan American Silver Corp.](#), where Michel's roles have ranged from foreman to President. He has practical experience in operation, commissioning, design, construction, finance and diligence.

As Senior Vice President for [Pan American Silver Corp.](#) from 1995 to 2001, Michel managed operations in Latin America including the expansion of the company into Peru, Mexico, and Bolivia. During this time he was responsible for the identification, purchase and turnaround of the long lived historic operations of Quiruvilca, Huaron and the San Ignacio de Morococha in Peru, and the La Colorada Mine in Mexico, as well as for acquisition of the San Vicente Mine in Bolivia. All but Quiruvilca are running today.

Michel previously served for nine years at Teck Corporation as corporate metallurgist, lead engineer and start-up manager. He was also a director of SNC (now SNC Lavalin Group Inc.) and one of three founders of Simons Mining Group (now AMEC Wheeler).

"The team of advisors we continue to build is comprised of expert industry professionals with a proven trajectory of success," said James Rogers, CEO of Clarity. "Mr. Robert's extensive professional background adds depth to the quality of our team and his skillset in metallurgy and engineering, and decades of advancing properties and managing operations."

Grant of Options

The Company is also pleased to announce that it has granted incentive stock options (each, an "Option") to acquire an aggregate of 500,000 common shares of the Company (each, a "Share") to certain consultants under its Stock Option Plan. Each Option is exercisable for a period of three years expiring on September 11, 2023, at a price of \$1.06 per Share. All the Options vest on the date of grant. The Options and the Shares issuable upon the exercise of the Options held by the optionee are subject to a 90-day hold period of four months from the date of grant of the Options.

About Clarity

[Clarity Gold Corp.](#) is a Canadian mineral exploration company focused on the acquisition, exploration and development of mineral projects in Canada. The Company is focused on the exploration of its 10,518 ha Empirical Project located approximately 100 km south of Lillooet, BC, and has recently expanded its mineral property portfolio with the acquisitions of the Tyber and Green projects, both located on Vancouver Island, British Columbia. CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION: This news release includes certain "forward-looking statements" under applicable Canadian securities legislation. Forward-looking statements consist of statements

that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the Company. Such forward-looking statements in this news release include, but are not limited to, statements regarding that the new board member's technical experience and track record of management and project evaluation will be immensely valuable to the Company. Such statements are subject to risks and uncertainties that may cause actual results, performance or development to differ materially from those contained in the statements, including risks related to factors beyond the control of the Company. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, the benefits the Company will obtain from them. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. Risks that could change or prevent these statements from coming to fruition include, but are not limited to, general market conditions and other factors beyond the direct control of the Company. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

The Canadian Securities Exchange (operated by CNSX Markets Inc.) has neither approved nor disapproved of the content of this press release.
