

Sanatana Resources Inc. Forms Advisory Board

23.09.2020 | [Newsfile](#)

Vancouver, September 23, 2020 - [Sanatana Resources Inc.](#) (TSXV: STA) ("Sanatana" or the "Company") is pleased to announce that it has appointed Mr. Jonathan Hill as the inaugural member of its advisory board.

Peter Miles, Sanatana's CEO commented "Mr. Hill will be invaluable to our current technical team and board as we move forward to explore our Gold Rush and Tirua projects and as we consider other projects."

Mr. Hill is a successful geologist and accomplished mining industry professional with over 30 years of global exploration, mining operational and project development experience. He has served in senior exploration and operational roles with major mining companies Anglo American Corporation and AngloGold Ashanti Ltd and has been directly involved with the discovery and development of several world class greenfields and brownfields projects in Africa and the Americas. Mr. Hill is the founder and president of Exploration Outcomes Ltd., a geological exploration advisory firm headquartered in Brazil, is a director of Royal Road Minerals and [Stratabound Minerals Corp.](#), and is a senior advisor to the management committee of Jaguar Mining Inc.

Mr. Hill's experience in mining and exploration geology, project development and management, and his broad range of contacts in the mining industry has resulted in a unique skill set and an in-depth appreciation and understanding of the global mining business. Mr. Hill holds a BSc (Hons) Economic Geology and a BAppSc in Applied Geology. He is a Fellow of the Australasian Institute of Mining and Metallurgy.

Sanatana plans to expand its advisory board in due course with members who add specific technical and operational expertise.

About the Company

Cautionary Statement Regarding "Forward-Looking" Information

Some of the statements contained in this news release are forward-looking statements and information within the meaning of applicable securities laws. Forward-looking statements and information can be identified by the use of words such as "plans" "expects", "intends", "is expected", "potential", "suggests" or variations of such words or phrases, or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved.

Forward-looking statements and information are not historical facts and are subject to a number of risks and uncertainties beyond Sanatana's control and may include, without limitation, statements related to the exploration potential of the Gold Rush Project and the timeline to commence exploration on the Gold Rush Project.

Actual results and developments are likely to differ, and may differ materially, from those expressed or implied by the forward-looking statements contained in this news release. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements, except as may be required by law.

Neither TSX Venture Exchange nor its Regulations Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
