Company Executives share vision and answer questions live at VirtualInvestorConferences.com

NEW YORK, Oct. 1, 2020 - Virtual Investor Conferences, the leading proprietary investor conference series, today announced the agenda for the upcoming Virtual Investor Conference focused on gold mining investment opportunities in the Province of Quebec. Individual investors, institutional investors, advisors, and analysts are invited to listen to the executive management of mining companies discuss their property positions, development schedules, market opportunity, and investment highlights. The event opens at 9:00 AM ET, with the first webcast at 9:30 AM ET on Tuesday, October 6th.

It is recommended that investors pre-register and run the online system check to expedite participation and receive event updates. There is no cost to log-in, attend live presentations or ask questions.

"OTC Markets Group is proud to host our inaugural Quebec Mining Day, highlighting gold mining investment opportunities in the Province of Quebec, co-sponsored by the Government of Quebec, Murdock Capital Partners and TAA Advisory, said Jason Paltrow, Executive Vice President of Corporate Services at OTC Markets Group. We are pleased to deliver visibility solutions through this event for mining companies to amplify their message among a broader base of North American investors. We welcome our esteemed keynote speakers: Catherine Loubier, New York Delegate General Government of Quebec, Jonatan Julien, Minister of Energy and Natural Resources and Eric Lemieux, Mining Analyst, EBL Consultants for this signature event."

"I look forward to taking part in this event, thoughtfully organized by OTC Markets Group, which will offer additional opportunities for Quebec mining companies to promote their gold projects and to partner with distinguished investors," said Jonatan Julien, Minister of Energy and Natural Resources of the Government of Quebec. "Mining development is a top priority for our government, particularly in the context of the economic recovery, but also as it relates to ensuring prosperity for all of Quebec. Quebec is proud to be internationally recognized for its rich mineral potential, affordable clean energy and exemplary social and environmental standards. We are committed to remain leaders amongst the most attractive jurisdictions in the world for mining investments."

"I am delighted to take part in the Gold Mining investment Opportunities in the province of Quebec, hosted by OTC Markets Group and Catherine Loubier, Delegate General in New York, Government of Quebec. "Quebec has a deep expertise in mining and is a world leader in gold mining. The companies taking part in this event are a testimony to that. I'm confident that U.S. investors and analysts will gain further appreciation of Quebec's mining industry during the conference. With abundant and affordable hydroelectric power, well as excellent track records on the environment and in community relations, Quebec is poised to generate considerable investor interest. We are thankful to our partners OTC Markets, Murdock Capital Partners and TAA Advisory for this remarkable event."
