Due to ongoing delays in South Africa related to the COVID-19 pandemic, the Company was unable to file Annual Filings on or before the prescribed filing deadline of September 14, 2020 as required by National Instrument 51-102 - Continuous Disclosure Obligations and British Columbia Securities Commission Blanket Order 51-517 - Temporary Exemption from Certain Corporate Finance Requirements with Deadlines during the Period from June 2 to August 31, 2020. The Company confirms that its directors, officers and insiders cannot trade the Company's securities until the Annual Filings have been made.

The Company is working to provide the additional documentation to its auditors and to complete the audit of the financial statements for the year ended March 31, 2020. The MCTO stipulated that the Annual Filings were to be filed by no later than October 14, 2020 and the Company

will be in a position to file the Annual Filings on time. Immediately following the filing of the Annual Filings, the Company will then file the Interim Financial Statements and MD&A for the quarter ended June 30, 2020 at which time the Company will be current in its required filings.
