

Ceylon Graphite Announces New Equity Offering

19.10.2020 | [GlobeNewswire](#)

VANCOUVER, Oct. 19, 2020 - [Ceylon Graphite Corp.](#) (the "Company") (TSX-V: CYL) (OTC: CYLYF) (FSE: CCY) announces its intention to complete a private placement pursuant to which it will issue and sell up to 51,428,566 units of the Company (the "Units") at a price of \$0.0875 per Unit (the "Offering Price") for aggregate gross proceeds of up to approximately \$4,500,000 (the "Offering"). Each Unit will be comprised of one common share in the capital of Ceylon Graphite (a "Common Share") and one common share purchase warrant (a "Warrant"). Each whole Warrant will entitle the holder thereof to acquire one common share in the capital of Ceylon Graphite (a "Warrant Share") at any time up to three years from the date of issuance at an exercise price of \$0.15. The closing is also conditional on the receipt of the approval of the TSX Venture Exchange and is anticipated to occur on or about October 22, 2020, or such other date as the Company may determine.

The previous offering announced by the Company in its press releases of August 6, August 26 and October 2, 2020 has lapsed as the prospective investors informed the Company that they would be unable to complete the placement by the extension date granted by the TSX Venture Exchange.

The company looks forward to the successful close of this financing and is excited to accelerate its commercial operations upon receipt of the new financing, said Bharat Parashar, Chairman and Chief Executive Officer.

About Ceylon [Graphite Corp.](#)

Ceylon Graphite is a public company listed on the TSX Venture Exchange, that is in the business of mining for graphite, plus the exploration for and development of graphite mines in Sri Lanka. The Government of Sri Lanka has granted the Company an IML Category A license for its K1 site and exploration rights in a land package of over 120km². These exploration grids (each one square kilometer in area) cover areas of historic graphite production from the early twentieth century and represent a majority of the known graphite occurrences in Sri Lanka. Graphite mined in Sri Lanka is known to be some of the purest in the world, and currently accounts for less than 1% of the world graphite production.

FORWARD LOOKING STATEMENTS:

This news release contains forward-looking information as such term is defined in applicable securities laws, which relate to future events or future performance and reflect management's current expectations and assumptions. The forward-looking information includes statements about Ceylon Graphite's grids, Ceylon Graphite's plans to undertake additional drilling and to develop a mine plan, and to commence establishing mining operations. Such forward-looking statements reflect management's current

beliefs and are based on assumptions made by and information currently available to Ceylon Graphite, including the assumption that, there will be no material adverse change in metal prices, all necessary consents, licenses, permits and approvals will be obtained, including various Local Government Licenses and the market. Investors are cautioned that these forward-looking statements are neither promises nor guarantees and are subject to risks and uncertainties that may cause future results to differ materially from those expected. Risk factors that could cause actual results to differ materially from the results expressed or implied by the forward-looking information include, among other things, an inability to reach a final acquisition agreement, inaccurate results from the drilling exercises, a failure to obtain or delays in obtaining the required regulatory licenses, permits, approvals and consents, an inability to access financing as needed, a general economic downturn, a volatile stock price, labour strikes, political unrest, changes in the mining regulatory regime governing Ceylon Graphite, a failure to comply with environmental regulations and a weakening of market and industry reliance on high quality graphite. Ceylon Graphite cautions the reader that the above list of risk factors is not exhaustive.

These forward-looking statements are made as of the date hereof and, except as required under applicable securities legislation, Ceylon Graphite does not assume any obligation to update or revise them to reflect new events or circumstances. All of the forward-looking statements made in this press release are qualified by these cautionary statements and by those made in our filings with SEDAR in Canada (available at www.sedar.com)
