

# Outcrop Announces New Board Member Chris Grainger

20.10.2020 | [CNW](#)

VANCOUVER, Oct. 20, 2020 - [Outcrop Gold Corp.](#) (TSXV: OCG) (OTCPK: MRDD.F) (DE: MRG1) ("Outcrop") is pleased to announce the appointment of Chris Grainger to the Outcrop Gold Board of Directors.

Mr. Grainger was previously the Vice President Exploration at Continental Gold and was involved in the identification and due diligence of the asset portfolio, including recognition of the world-class Buritica Au-Ag deposit which was recently acquired by Zijin Mining for over \$1.4 billion. Mr. Grainger is an exploration and resource delineation geologist with a Ph.D. from the University of Western Australia in Economic Geology. He has over twenty years experience incorporating various aspects of exploration and development geology with an emphasis on precious metals within diverse geological environments and a dedicated focus on Colombian geology and mineral deposits over the last decade.

Outcrop has granted 3,500,000 incentive stock options to directors and employees at an exercise price of \$0.40 expiring October 20, 2025.

#### About Outcrop Gold

Outcrop is a hybrid prospect generator active in Colombia progressing gold and silver exploration projects with world-class discovery potential. Outcrop performs its own grass roots exploration and then employs a joint venture business model on its projects to maximize investor exposure to discovery and minimize financial risk. Outcrop has seven primary projects in Colombia with three at an advanced stage of exploration. Outcrop will conduct focused drilling on flagship properties such as Santa Ana to create its own catalysts for value creation.

#### ON BEHALF OF THE BOARD OF DIRECTORS

Neither the TSX Venture Exchange nor its Regulation Services Provider (as such term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "potential", "we believe", or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Outcrop to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including: the receipt of all necessary regulatory approvals, capital expenditures and other costs, financing and additional capital requirements, completion of due diligence, general economic, market and business conditions, new legislation, uncertainties resulting from potential delays or changes in plans, political uncertainties, and the state of the securities markets generally. Although management of Outcrop have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Outcrop will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
