About Monochrome Corp.

Monochrome, a consumer products growth company is a unique and responsive company in today's marketplace. Monochrome's business model currently incorporates two high-growth markets to create an exciting multi-channel business opportunity that feeds and expands Firma's distribution network. This includes traditional brick-and-mortar channels as well as by Monochrome's utilization of e-commerce technology partners and emerging joint venture pipelines to capitalize on the new developments in today's consumer products market.

Monochrome can expect to meet market demand by introducing a multitude of new products along with its current Personal Protective Equipment (PPE) business (Please email us below at info@firmaholdingscorp.com for current inventory and to procure large orders of PPE please request SOP for Surgical Gowns, Nitrile Gloves, and Protective Masks). Monochrome's Board of Directors believes that by utilizing the company's traditional and contemporary delivery methods (through its partners, such as beverage and food distributors), will best serve its development. Additionally, Monochrome's use of non-traditional distribution and delivery channels (such as brokers who will drive business in health care, universities, and health awareness markets) will be equally effective.
