

# Manganese X Receives Eligibility for DTC Trading in the U.S.

02.11.2020 | [Newsfile](#)

Montreal, November 2, 2020 - [Manganese X Energy Corp.](#) (TSXV: MN) (FSE: 9SC2) (OTC Pink: MNXXF) ("Manganese" or the "Company") is pleased to announce its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (DTC). DTC is a subsidiary of the Depository Trust & Clearing Corp. (DTCC) that manages the electronic clearing and settlement of publicly traded companies in the United States.

Receiving DTC eligibility increases the speed of receiving stocks and cash and accelerates the settlement process for investors.

Martin Kepman, CEO of Manganese X comments, "DTC eligibility provides access to a broader base of investors in North America particularly in the US and heightens our visibility in the capital markets thereby improving our share liquidity.

We are working on a made in the USA Air Management and Control System complemented by our US patent for bacteria and virus mitigation and we believe this will resonate well with US investors. Additionally, we have a manganese property currently being drilled that is only a few miles from the US border. It is important to note there are no other manganese properties in North America moving to commercialization like Manganese X."

About Manganese X Energy Corp.

Manganese's X mission is to acquire and advance high potential manganese mining prospects located in North America with the intent of supplying value added materials to the lithium ion battery and other alternative energy industries. In addition, our company is striving to achieve new methodologies emanating from environmentally and geographically ethical and friendly green/zero emissions technologies, while processing manganese at a lower competitive cost.
