Each Kairos Common Share that is outstanding immediately prior to the Amalgamation (other than Kairos Common Shares held by shareholders of Kairos (the "Kairos Shareholders") who exercise their dissent rights) shall be converted one (1) issued and fully paid and non-assessable Resulting Issuer Shares at a deemed price of \$0.10 per Resulting Issuer Share.

Assuming there are no dissenting Tailwind Shareholders or dissenting Kairos Shareholders and that the Private Placement is fully subscribed, there will be: (i) approximately 41,314,323 Resulting Issuer Shares issued and outstanding; (ii) the former Tailwind Shareholders will hold 5,333,333 Resulting Issuer Shares immediately following completion of the Amalgamation, representing approximately 12.91% of the issued and outstanding Resulting Issuer Shares; (iii) former Kairos Shareholders will hold 25,266,704 Resulting Issuer Shares, representing approximately 61.16% of the issued and outstanding Resulting Issuer Shares; and (iv) investors in the Private Placement will hold 10,714,286 Resulting Issuer Shares, representing approximately 25.963% of the of the issued and outstanding Resulting Issuer Shares.

The Resulting Issuer Shares to be issued pursuant to the Amalgamation will be issued pursuant to exemptions from the prospectus requirements of applicable securities legislation and certain of the Resulting Issuer Shares issued to insiders of Kairos will be subject to escrow conditions, as required by the TSXV.
