

Hess Completes Sale of Interests in Shenzi Field, Gulf of Mexico

06.11.2020 | [Business Wire](#)

[Hess Corp.](#) (NYSE: HES) announced today that it has completed the previously announced sale of its 28% working interest in the Shenzi Field in the deepwater Gulf of Mexico to BHP, the field's operator, for a total consideration of \$505 million, subject to customary adjustments, with an effective date of July 1, 2020.

"This transaction brings value forward in the current low price environment and further strengthens our cash and liquidity position," CEO John Hess said. "Proceeds will be used to fund our world class investment opportunity in Guyana."

[Hess Corp.](#) is a leading global independent energy company engaged in the exploration and production of crude oil and natural gas. More information on [Hess Corp.](#) is available at www.hess.com.

Cautionary Statements

This news release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Words such as anticipate, estimate, expect, forecast, guidance, could, may, should, would, believe, intend, project, plan, predict, will, target and similar expressions identify forward-looking statements, which are not historical in nature. These forward-looking statements may include, without limitation, the use of proceeds from our asset sale and our future financial and operational results. Forward-looking statements are subject to certain known and unknown risks and uncertainties that could cause actual results to differ materially from our historical experience and our current projections or expectations of future results expressed or implied by these forward-looking statements. The following important factors could cause actual results to differ materially from those in our forward-looking statements: fluctuations in market prices of crude oil, natural gas liquids and natural gas; demand for our products, including due to the global COVID-19 pandemic or due to the impact of competing or alternative energy products and political conditions and events; the ability of our contractual counterparties to satisfy their obligations to us; contract and other laws, regulations and governmental actions applicable to our business; and other factors described in the Risk Factor section in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q and any additional risks described in our other filings with the Securities and Exchange Commission. As and when made, we believe that our forward-looking statements are reasonable. However, given these risks and uncertainties, caution should be taken not to place undue reliance on any such forward-looking statements since such statements speak only as of the date when made and there can be no assurance that such forward-looking statements will occur and actual results may differ materially from those contained in any forward-looking statement we make. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether because of new information, future events or otherwise.
